Graffiti ent. Offenburg, Germany
- 2017 "Urban Arts Festival"
Dinslaken

A word or two about me.
Not scared to be bold, expressing the weird, the
pretty, the odd, the hurt.
I have many chapters and many pages.
Not good in word, but must I be?
I paint, I dream, I figure.
at times so big you can not grasp,
but sometimes, barley see.
not much to you, the world to me.

„Should have told you a long time ago“
40x50cm
Oil on wood
2019
